

Snoopy

Characters: (in order of appearance): Lucy, Charlie Brown, and Snoopy

SCENE 1

Lucy is in her office. There is a sofa and a blanket on the floor.

Charlie Brown: Doctor I hope you can help me. No one likes me! Not even my dog!

Lucy: That can't be right "The dog is man's best friend."

Charlie Brown: Not my dog! He hates me! He told me so!

Lucy: This must be a case in which you are a bad person who never takes your dog for a walk and never feeds him on time.

Charlie Brown: What are you talking about. I walk him every day and feed him delicious dog food. Are you crazy?

Lucy: I am the doctor and I am not crazy! You are the one who came to see me!

Charlie Brown: O.K. Can you help me?

Lucy: Well I can't help you unless I meet your dog! Are you sure he told you he hates you? You know, usually dogs don't talk. It could be your imagination!

Charlie Brown: Well **my dog** talks and he said he hates me.

Lucy: O.K. I have to see this to believe it. Go get your dog.

Lucy: My goodness this guy is really sick in the head! A talking dog of all things!

SCENE II

Charlie Brown: (*Enters with Snoopy on a leash*) Here's Snoopy. Snoopy say hello to the nice Doctor.

Snoopy: Hello nice Doctor! (*Looks at Charlie*) She doesn't look so nice! I hate you and I hate your Doctor too!

Charlie Brown: See! I told you he talks and he said he hated me. I feel better already! He hates you too!

Lucy: O.K. You lay down on the floor dog, and Charlie you lay down on the sofa.

Snoopy: That is so unfair. Why does he get the sofa? I want to lie on the sofa.
Humans are really so selfish.

Charlie Brown: O.K. I will lie on the floor. Snoopy you can lay on the sofa. I just want to know why you hate me.

Lucy: Yes dog, why do you hate your master. Is it because he calls you by that silly name Snoopy?

Snoopy: Don't call me dog! My name is Snoopy, thank you very much! I love my name. Charlie gave me that name when I was just a puppy.

Lucy: Well Snoopy. Tell me in your own words, exactly why you hate Charlie.

Snoopy: Woof....Woof...Woof, Woof Woof Woof.... Woof.

Lucy: Not in dog words! In English words

Snoopy: O.K. He treats me like a dog. It is not fair. He gets this ball. He throws it and he says, "Go on Snoopy boy get the ball! Get the ball boy!" Why can't he go get the ball himself?

Charlie Brown: I can't believe this! Dogs love to chase a ball and bring it back to their master. That is the rule!

Snoopy: Who made that rule? A man, right? I want my dog's rights.

Lucy: Actually, Snoopy old dog. Dogs have no rights. Don't you know. It's a man's world?

Snoopy: grrrrrr! GRRRR! I knew you would be on his side. O.K. Charlie old boy it's time to go home. (Snoopy gets up takes the leash off his neck puts it on Charlie's neck and begins to leave.) It' a dogs world too!

Lucy: Hey wait a minute. Who is going to pay me! Give me my money.

Snoopy: Sorry I'm just a dog. I have no pockets. I have no money. Come on Charlie boy.

Sanji: Yo-ho-ho, he took a bite of gum-gum Ya-yo Ya yo

Sanji: Hey, what are you doing, Luffy?

Luffy: Nothing. (*Luffy is eating a cake*)

Sanji: You are eating my cake, aren't you? Stop! That cake is for Nami san, not for you!!

Luffy: Sorry! My rubber arms just found it!

Sanji: Luffy! Did you eat my cake again? ...OK....You know, it will cost you a lot of gold.

Luffy: I don't have money. After I find "One Piece" I will pay you.

Sanji: Shut up!! Nonsense!

(Sanji kicks Zolo who is sleeping near him)

Zolo: Oh...? Ouch...! ...Hey, Sanjii! You kicked me, huh?

Sanji: Because you were sleeping happily near me. It irritated me!!

Zolo: What?

(Zolo stands up and faces Sanji. It seems Sanji will attack Zolo very soon.)

Luffy: He's mad because I ate the cake he made for Nami!

Sanji: How can a man steal a cake from such a pretty lady?

Zolo: A "Pretty Lady"? Nami? You must be joking!

Sanji: She is the most beautiful woman in the world!!

(A fight starts between Zolo and Sanji. Luffy tries to leave.)

Sanji: Luffy!!

(Sanji sees Luffy leaving, so she shouts in an angry voice)

Sanji: Luffy! It was you who started this!

Luffy: Why me? I only ate "One Piece".
